

Eddyfi International FZE – General Terms and Conditions – Sale

1. **AGREEMENT:** The following terms and conditions, including any documents, drawings or specifications incorporated therein by reference, shall be part of any purchase order accepted by EDDYFI or any sale agreement executed between EDDYFI and its customer (hereinafter the "Customer"), and together shall constitute the entire agreement effective between EDDYFI and Customer (hereinafter the "Agreement"). In these terms and conditions, the name "EDDYFI" designates Eddyfi International FZE, a corporation organized under the General Corporation Law of Dubai, and the terms "product(s)" and "services" refers to products sold, or services performed by EDDYFI and any of its affiliates, including products or services sold under the Eddyfi, Sencive, Sisgeo, Huggenberger or Sensor Networks brands.
2. **BINDING AGREEMENT:** The Agreement shall be binding upon EDDYFI's execution or written acceptance of a purchase order, or upon commencement of performance under the terms of the Agreement. In the case of conflict between these general terms and conditions and any terms set forth on a purchase order or other purchase agreement, these general terms and conditions shall prevail. A purchase order shall only be deemed to be accepted i) in the event that the payment terms in the purchase order provides for "payment in advance of manufacturing", upon full payment by Customer or ii) in all other cases, upon the issuance of a written order acknowledgement ("OA") by EDDYFI.
3. **PRICES, TAXES AND DUTIES:** All prices are valid only as set forth in an EDDYFI quotation. Purchase orders not placed in accordance with the EDDYFI quotation (e.g. late order or requesting expedited delivery) may be accepted or may be subject to re-quotation and imposition of expedite fees, as determined by EDDYFI. All prices are subject to change without notice and are subject to correction of clerical errors, including if conditions unforeseen to EDDYFI arise, or if material information or assumptions change at any time before or after the order. All payments shall be made without any deduction for or on account of any set-offs, taxes, charges, fees and withholdings of any nature (including but not limited to additional shipping charges, premiums for freight insurance, inspection fees, customs, duties, import or export fees, certification costs, assessments and other fees not expressly included in the EDDYFI quotation), unless if required by law. In such a case, Customer will pay EDDYFI the additional amounts necessary to ensure receipt by EDDYFI of the full amount which would have been received but for the deduction. Without limiting the generality of the foregoing, Customer assumes all certification costs of a product ordered by Customer and which is not already certified in the country of destination. If no prices are set for services in a quotation (including onsite support or training), charges will be based on EDDYFI's standard time and materials rates. EDDYFI may also charge Customer for reasonable expenses incurred by EDDYFI in performing the services, including but not limited to travelling expenses, accommodation, subsistence, the cost of accessing data provided by third parties which are required by EDDYFI to perform the services and materials.
4. **PAYMENT:** Except as otherwise agreed to by EDDYFI in writing, incoterms shall be FCA, and upon approved credit, invoices will be issued as of the date of shipment, and shall become due and payable in the lawful currency as per the conditions specified in the quotation and the OA or, if not expressly provided, 30 days following the date of the invoice. All invoiced amounts unpaid and outstanding will be subject to a charge of one and one half percent (1½%) per month (18% annually) with interest on overdue interest at the same rate, from the date due, or, as the case may be, up to the maximum interest rate allowed by applicable law from the date due and any additional administrative costs.
5. **DELIVERY, TITLE, AND RISK OF LOSS:** Unless otherwise specified on the EDDYFI quotation, delivery is FCA (Manufacturing Site). Customer must cover the transport costs of the products; the products are deemed delivered to Customer, and the risks of loss of the products (including without limitation when loading them onto trucks, transferring them to a ship or a plane, and meeting customs regulations) pass to Customer when EDDYFI places the products at the disposal of Customer or its carrier at EDDYFI's manufacturing site. Title to products shall pass to Customer upon full payment of the products. In the absence of specific instructions, goods are shipped via the carrier EDDYFI deems most practical. Subject to the foregoing, the applicable INCOTERMS 2020 apply to the delivery and risks of loss of products. In the event Customer wishes to make any change affecting the delivery of the products (including but not limited to a change in Incoterms, change of address or carrier) less than five (5) days prior to the date originally scheduled for shipment of the products, Customer agrees to pay additional fees reasonably determined by EDDYFI to offset the administrative cost of effecting such change. EDDYFI endeavors to meet all agreed delivery deadlines and will make reasonable efforts to avoid any delays in the supply of its products or services. However, EDDYFI shall not be held liable for any penalties, damages, or claims resulting from delays in delivery, regardless of the cause. EDDYFI will promptly notify Customer of any anticipated delays and work diligently to minimize their impact. If Customer fails to accept or collect the products within a reasonable time after being notified of their readiness, EDDYFI may enforce the sale or cancel the sale and, at its convenience, resell or dispose of the products. After deducting from the resale or disposition price of the products the reasonable storage and selling costs incurred by EDDYFI, any shortfall will be charged by EDDYFI to Customer.
6. **RETURNS AND RESTOCKING FEE:** Except as provided for under the Limited Product Warranty, EDDYFI does not allow for return and restocking of products. However, if EDDYFI approves a return, the return will be subject to a return/restocking fee as determined by EDDYFI. Special designs and non-catalog items can not be returned. All returned products shall be sent to EDDYFI freight prepaid by Customer in packaging appropriate to prevent damage in transit, with the return manufacturer authorization number provided by EDDYFI. Damages to products while in transit or in the possession of Customer will be charged back to Customer.
7. **ALTERATION:** EDDYFI reserves the right to alter products or their component's designs without notice. EDDYFI reserves the right to periodically elect to discontinue certain products or components. Reasons may include i) new advancements in the industry rendering the products obsolete, ii) market demand no longer justifies development resources required to maintain the product, or iii) the products have reached the end of their technology lifecycle. To assist Customer in a seamless transition process and to help them migrate to alternative EDDYFI solutions, EDDYFI provides an [End of Life Policy](#). EDDYFI assumes no liability to Customer or any third party for the consequences of products or components being modified, altered or discontinued.
8. **OPERATION:** Customer shall ensure that the products are operated by qualified and experienced personnel and in accordance with: (a) training and operating instructions supplied by EDDYFI from time to time; (b) conditions of coverage in all applicable insurance policies; and (c) all applicable laws, codes and regulations. Customer shall refrain from registering or applying for registration of any intellectual property right relating to the products or services which would have the effect of directly or indirectly (i) restricting EDDYFI's ability to market and sell the products or services; or (ii) limiting any third party's (such as EDDYFI's other customers) use of the products or services. Without limiting the generality of the foregoing, Customer shall not register or apply for registration of a method patent (also known as a "process" patent) in which one or more of the claims relate to the use of a product or of a similar instrument or equipment or services. If by operation of law any such intellectual property is not owned in its entirety by EDDYFI, then the Customer agrees to transfer and assign to EDDYFI, the entire right, title, and interest throughout the world to such intellectual property.
- Customer must not rebrand any product or container, document or object associated with same, or otherwise alter, remove, or tamper with any trademark or other marking appearing on any product or container, document or object associated with same, unless prior written approval is given by EDDYFI (which approval can be given or denied by EDDYFI at its discretion). Without limiting the foregoing, Customer must not label or relabel a product or a container, document or object associated with same or include any marking that could lead anyone to believe that Customer or any person other than EDDYFI is the manufacturer of the product.
- Customer may provide, at its sole discretion, input on the products or services, including, without limitation, comments or suggestions regarding the possible creation, modification, correction, improvement or enhancement of the products or services, and EDDYFI may use it freely without notice, restriction, or compensation.

Additional coverage may be provided under additional packages purchased by Customer. Probes and cables are considered consumables and require periodic replacement due to wear and tear. Accordingly, probes and cables may require replacement at the customer's expense when consumed through regular operation, irrespective of the duration since delivery. EDDYFI does not warrant any products against damages or defects caused by wear and tear, negligence, misuse, accident, meddling with the enclosures in which the electronic components are contained, abnormal operating conditions, alterations or damage caused by events beyond the control of EDDYFI. EDDYFI shall not be liable for product defects caused by or resulting from any inaccuracies in any drawing, description or specification supplied by the Customer.

Upon Customers written request during the warranty period, EDDYFI, at its choice, will repair or replace defective products within a reasonable time. The original term of warranty applies, without extension, for repaired or replacement products. All defective products shall be sent to EDDYFI freight prepaid by Customer in packaging appropriate to prevent damage in transit, with the return manufacturer authorization number provided by EDDYFI. The Limited Product Warranty does not apply to periodic calibration or minor maintenance as described in products operating manuals.

All Customer paid repairs performed by EDDYFI are warranted against defects in materials and workmanship for ninety (90) days from the completion of repair. Upon Customer's written notice of defect within the ninety (90) day period, EDDYFI will, at its choice, replace or repair the defective part(s). This warranty is limited to failures in areas directly related to the repair performed. After a warranty repair, if a calibration is required, it is validated for the remaining term of the original calibration certificate.

This limited product warranty only applies to Eddyfi branded products, including those from its affiliates and does not warrant any non-EDDYFI products.

11. **LIMITED SERVICE WARRANTY:** EDDYFI agrees to perform services for Customer on the expressed condition that EDDYFI's sole obligation will be that the services be performed in a professional and competent manner and be of the kind and quality described in the EDDYFI quotation. EDDYFI does not warrant the fitness, suitability or condition of Customer's equipment upon which EDDYFI services are performed. If there is a specific problem with the quality of the service performed, Customer shall inform EDDYFI in writing and, if feasible, the service will be re-performed at no additional charge. In the event corrective services are performed by EDDYFI, Customer must provide adequate access to the equipment to allow EDDYFI to perform these services. Any additional costs incurred to provide access to the equipment will be the responsibility of Customer. If re-performance of the service is not feasible, EDDYFI and Customer shall negotiate in good faith to arrive at an equitable solution.

REGARDLESS OF WHETHER UNDER CONTRACT, TORT, NEGLIGENCE, OR ANY OTHER LEGAL THEORY, THE LIMITED PRODUCT WARRANTY AND THE LIMITED SERVICES WARRANTY SET FORTH HEREIN ARE EXCLUSIVE AND ARE LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. In no case shall EDDYFI be liable for any special, incidental or consequential damages based upon breach of warranty, breach of contract, negligence, direct liability or any other legal theory.
